

GIVING KITCHEN

Legacy is at the core of Giving Kitchen: the idea that helping others is the ultimate value we can leave behind. Ryan Hiding, Giving Kitchen's co-founder, embraced the opportunity of legacy. Hidi seized the chance to help others when it mattered most, turning his own personal battle into a team and community effort to lift up those in need.

Team HIDI grew as others joined the cause, and now Giving Kitchen is thankful to have the support of a community of thousands. Among them are our most dedicated supporters, members of the **HIDI Society**, who choose to make Giving Kitchen's work a part of *their* legacy by including Giving Kitchen in their estate giving plans. Those who join **HIDI Society** wholeheartedly embrace the idea of Hidi's legacy. Giving Kitchen is honored and grateful for your commitment and looks forward to sharing Hidi's legacy with you in ways big and small. Hidi's legacy is now ours and there are stories yet to be told. Thank you for being a part of it.

We are honored and grateful that you have considered including Giving Kitchen as the beneficiary of your planned gifts. From the bottom of our hearts, thank you.

Because of YOU, your contribution will keep the lights on, water flowing, a roof over head, and hope alive for food service workers in crisis for weeks, months, and years ahead.

With gratitude,
Your Giving Kitchen Team
